David:

Based on its review of the discovery responses provided by Petitioner to ORS and its conversations with Petitioner, Dominion Energy South Carolina, Inc. objects, in part, to the Petitioner's Request. The Company's objection is based on the concerns expressed in Part B of its responsive comments filed on April 15, 2021. The Company will make a filing with its proposed order language relating to its concerns on or before September 10 as well.

Matt

Good morning.

I am in trial this week and perhaps into next week. I would be glad to file a proposed order, hopefully before (but certainly no later than) Friday, September 10th. If another date is preferable, I will make it happen to accommodate the Commission's needs.

Thank you.

Tom

Subject: Docket No. 2021-114-E - Petition for Declaratory Order

To Tom Gressette:

Mr. Gressette, in your letter of May 28, 2021, you had stated that the Petitioner in the above-stated matter, along with the other parties, would like to present a proposed order to the Commission for its consideration. Is this still your intent?

Thanks,

David Butler
